MEMORANDUM FOR Commander, Sacramento District US Army Corps of Engineers,
ATTN: Mr. Stacey Samuelson (CESPK-PD-P)

Subject: Review Plan Approval for Lower San Joaquin River Feasibility Study

1. The enclosed updated Review Plan for the Lower San Joaquin River Feasibility Study, dated 5 March 2013, has been prepared in accordance with EC 1165-2-214. The Review Plan has been coordinated internally within the District Support Team and with the Flood Risk Management Planning Center of Expertise (PCX). PCX will serve as the Review Management Office.
2. With MSC approval the Review Plan will be made available for public comment via the internet and the comments received will be incorporated into future revisions of the Review Plans. The Review Plan does include independent external peer review.
3. I hereby approve this Review Plan, which is subject to change as circumstances require, consistent with study development under the Project Management Business Process. Subsequent revisions to this Review Plan or its execution will require new written approval from this office.
4. For any additional information or assistance, contact Karen Berresford, District Support Team Lead, (415) 503-6557, Karen.G.Berresford@usace.army.mil.
