

## **LIST OF PREPARERS**

The table on the following pages identifies the individuals involved with the preparation of this document.

Name	Role in Preparation	Qualifications	Expertise	Years of Professional Experience	Professional Discipline
<b>U.S. ARMY CORPS OF ENGINEERS</b>					
Tom Adams	Project Planner	B.S., Renewable Natural Resources M. Landscape Architecture	Water resources planning	20	Landscape Architecture
Sterling Andersen	Civil Engineer	B.S., Civil Engineering	Quantity estimates, design layouts	7	Civil Design
Jerry Blevins	Senior Lead Design Engineer, Civil Designer	B.S., Civil / Aeronautical Engineering; M.S., Aerospace Engineer Pgm	Civil Design, Tech, Project Mgmt, Structures, Hydrs, Testing Dams, Fluvial & Fisheries, Const Ops	33	P.E. Civil Engineering California, Nevada
Marchia Bond		Water Management/Reservoir Routing			
Robert Childs	Senior Project Manager	B.S., Civil Engineering	Project Management/Plan Formulation/Engineering/Construction	30	Civil Engineering
Robert F. Collins		Hydrology			
Mary Evans	Budget Analyst				
Stephen Graff	Structural Engineer	M.S., Civil Engineering	Civil Works flood control; hydraulic structures	19	Structural design
Jeff Groska	Supervisory Project Planner				
Jeff Harris	Hydraulic Design				
Jim Henriksen	Real Estate				
George Hubeck	Real Estate				
Sandra Jaenicke	Tech Publications, Web	B.A., English, Education	Tech Publications, Web	15	Publications
Margaret John			Budget Analyst		
Kim E. Jorgensen	Geology & Seismicity	B.S., 1981, Geology	Geology & Seismicity	21	Geology
Kurt Keilman	Economist	B.A., Economics, M.A. Economics, emphasis on Econometrics	Flood Damage Analysis, Risk Analysis, Benefit-Cost Analysis	8	Economics
Kevin Leahy	Cost Engineering	A.A./C.E.T. - (1971)	Cost Estimating	22	Civil Works

LIST OF PREPARERS

<b>Name</b>	<b>Role in Preparation</b>	<b>Qualifications</b>	<b>Expertise</b>	<b>Years of Professional Experience</b>	<b>Professional Discipline</b>
Karin Lee	Project Planner, FERC relicensing requirements for L.L. Anderson Dam	B.A., Social Work, Sociology	Plan Formulation	1.5	Social Sciences Study Manager
Rene' McGaugh	Project Planner				
Sharon McHale	Ecosystem Restoration Plan Formulation	B.S., AICP, Environmental Planning and Management	Environmental Planning	13	Water Resource Planning
Charlie Mifkovic	Hydraulic Design	B.S., P.E.	Hydraulic Design	25	Civil Engineering
Henri Mulder			Soil Design		Geotechnical Design
Shawn Oliver	Environmental Planning	B.S., Biology, 1995, emphasis in Conservation	Habitat Restoration, Fisheries	7	Biologist/Environmental Scientist
Amando Padilla	Project Planner	B.S., Civil Engineering, 1988	Planning	3	Project Planning
Ken Pattermann	Design Engineer				
Tore Pearson	Senior Project Planner	B.S., Civil Engineering, 1974	Prepared Final Supplemental Plan Formulation Report	28	Civil Engineer, P.E.
Drew Perry			Construction		
Richard Perry	Section 106 compliance; report review	B. A., Anthropology, archeology emphasis; graduate coursework in anthropology, archeology emphasis	Prehistoric archeology and Section 106 compliance	16	Archeology
Veronica Petrovsky	Environmental Coordinator	B.S., 1988, Biology conc. Zoology	NEPA/CEQA, HTRW, Data Management, Chemistry	15	Biologist/Environmental Scientist
Patricia Roberson	Report Review				
Stephen Slinkard	Mechanical Engineer	B. S., P. E., Mechanical Engineering	Mechanical Equipment Design	27	Mechanical Engineering
Robert Vincent	Real Estate, Economics	BA Econ			Real Estate, Economics
Bob Vrchoticky			Hydraulic Design		
William Wadsworth	Electrical Engineer	B.A., P.E.	Power & Controls	30	Electrical Engineering
Ted Werner	Project Planner				
John White			Contractor		

Name	Role in Preparation	Qualifications	Expertise	Years of Professional Experience	Professional Discipline
<b>DEPARTMENT OF WATER RESOURCES</b>					
Steven Yaeger	Document Review				
<b>RECLAMATION BOARD</b>					
Annalena Bronson	Document Review				
Rick Johnson	Document Review				
Mike Mirmazaheri	Document Review				
<b>SACRAMENTO AREA FLOOD CONTROL AGENCY</b>					
Tim Washburn	Document Review				
Name	Role in Preparation	Qualifications	Expertise	Years of Professional Experience	Professional Discipline
<b>JONES &amp; STOKES</b>					
Harlan Glines	Project management	B.A., 1984, Environmental Studies	CEQA/NEPA; Water resources and Infrastructure	16	Water resource planning
Gregg Roy	Project management	B.S., 1982, Political Economy of Natural Resources	Environmental Compliance	12	Water resource planning/ economics
Gregg Ellis	Project management	B.A., Geography, Environmental Resources emphasis	Environmental Planning	8	Water resource planning
Jeff Lafer	Water supply, hydropower, water quality	B.S., Environmental Science M.S., Environmental Science	Water Quality	11	Water quality specialist
Brant Jorgenson	Water quality	B.S., Environmental Toxicology	Environmental Chemistry	6	Environmental toxicologist
Shahira Ashkar	Cultural resources	B.A., 1985, Anthropology with a concentration in Archaeology M.A., 1995, Anthropology with a concentration in Archaeology	Historic Archaeology	15	Archeologist

LIST OF PREPARERS

<b>Name</b>	<b>Role in Preparation</b>	<b>Qualifications</b>	<b>Expertise</b>	<b>Years of Professional Experience</b>	<b>Professional Discipline</b>
Ray Weiss	Traffic and circulation	B.A., Economics (special emphasis in environmental and resource economics)	Transportation and Land Use Planning	7	Community planner
Tanya Matson	Ecosystems restoration plan	BA, 1996, Environmental Studies	Environmental Planning	4	Water resource planning
Chris Elliott	Ecosystems restoration plan, impact analysis	B.S., 1994, Landscape Architecture	Landscape Planning	7	Landscape architect
Brian Higgins	Ecosystems restoration plan	B.S., Sociology M.A., Landscape Design	Landscape Planning	2	Restoration specialist
Sheri Brown	Ecosystems restoration plan	B.S., 1991, Landscape Architecture	Restoration Planning	9	Restoration planner
Gabriel Roark	Ecosystems restoration plan	B.A., Anthropology	Prehistoric Archaeology	4	Archeologist
Ken Casaday	Ecosystems restoration plan, senior peer review, guidance for mitigation and incremental analysis	B.A., Geophysics M.A., Geophysics	Geomorphology/Hydrology, Flood Control, and Riparian/Wetland Habitat Restoration	30	Geomorphology and river resource management planning
Shannon Hatcher	Air quality, noise, traffic and circulation	B.S., 2000, Environmental Science B.S., 2000, Environmental Health and Safety	Traffic, Noise, and Air Quality	1	Air quality/noise specialist
Tim Rimpo	Air quality	B.A., 1978, Economics M.S., 1981, Economics	Air Quality and Environmental Economics	17	Senior air quality scientist
Joel Butterworth	Peer review of geology, seismicity, and soils	B.A., 1985, Geography M.S., 1987, Geography	Earth Sciences	14	Earth sciences
Colleen Smith	Project coordination	B.A., 1993, Biology	Environmental Sciences	10	Environmental specialist
Chris Brown	GIS	B.A., 1994, Geography (Cartography emphasis)	Cartographics and Geographic Analysis	7	GIS specialist

<b>Name</b>	<b>Role in Preparation</b>	<b>Qualifications</b>	<b>Expertise</b>	<b>Years of Professional Experience</b>	<b>Professional Discipline</b>
Eric Berntsen	Geology, seismicity, and soils; water quality	B.A., Environmental Studies (Biology Concentration) M.S., Environmental Science (Water Resource Management)	Watershed Hydrology and Water Quality	4	Water resource specialist
Selene Jacobs	Public involvement	B.S., 1995, Environmental Science, Policy and Management M.S., 1998, Conservation Biology and Sustainable Development	Conservation Planning	4	Conservation planning project coordinator
Dave Ceppos	Public involvement	B.A., 1985, Landscape Architecture	Landscape architecture, natural resources planning, facilitation/mediation, watershed planning	16	Senior restoration specialist
Francine Mejia	Fisheries	B.S., Biology M.S., Fisheries and Wildlife Management	Fisheries	4	Fisheries biologist
Jennifer Alvarez	Wildlife resources	B.S., 1995, Biology	Amphibians	6	Wildlife biologist
Steve Avery	Wildlife resources	B.S., 1985, Zoology-Wildlife Biology; M.A., 1990, Biology	Endangered species issues related to CEQA/NEPA compliance	11	Wildlife biologist
April Zohn	Visual, recreation, land use	B.S., 1994, Biology	Sensitive water resource and Coastal Zone Management Issues	7	Regulatory specialist
Scott Frazier	Geology, seismicity, and soils	B.S., Soil Science M.S., Soil Science	Soil science and habitat restoration and planning	5	Soil scientist
Vicki Axiaq	Visual resources, recreation, land use and socioeconomics; public health and safety	B.A., 1975, English M.A., 1992, English	Transportation	22	Publication specialist
Tim Messick	Graphics	B.A., 1988, Botany M.A., 1982, Biology	Graphic and information design	18	Graphic and information design

LIST OF PREPARERS

Name	Role in Preparation	Qualifications	Expertise	Years of Professional Experience	Professional Discipline
Jim Merk	Report production and coordination	B.A., 1983, English M.A., 1989, English	Editing and report production	15	Editing and report production
Deborah Jew	Publication Specialist	A.A., General Education	Word processing and production	15	Word processing and production
<b>MBK ENGINEERS</b>					
Ric Reinhardt	Report preparation and review	M.S., Civil Engineering	Water Resource Planning	7	Water Resource Planning
