Environmental Resources Branch

TO ALL INTERESTED PARTIES:

The final Environmental Assessment/Initial Study (EA/IS) and Finding of No Significant Impact (FONSI) for the Sacramento River Bank Protection Project, Pocket Area Erosion Sites, Sacramento, California, are now available for your information on the Sacramento District's website at <http://www.spk.usace.army.mil>.

The public review period for the draft EA/IS ended on May 7, 2006. All comments received by that date were addressed and incorporated into the final document, as appropriate. The final EA/IS and FONSI have been prepared in accordance with National Environmental Policy Act guidelines.

Construction is anticipated to begin in July 2006 and be completed by the end of November 2006. If you have any questions or would like a paper copy of the final documents, please contact Mr. Donald Lash, Environmental Manager, at (916) 557-5172 or email: Donald.W.Lash@usace.army.mil.

Sincerely,

A handwritten signature in cursive script that reads "E. Scott Clark".

E. Scott Clark
Chief, Planning Division
