

US Army Corps
of Engineers

Sacramento District
1325 J Street
Sacramento, CA 95814-2922

Public Notice

Number: 199500412A

Date: June 10, 2005

Comments Due: July 29, 2005

SUBJECT: The U.S. Army Corps of Engineers, Sacramento District, (Corps) is inviting the public to scoping meetings for the Corps' draft Environmental Impact Statement (DEIS) for the proposed River Islands project, in San Joaquin County, California.

The River Islands project purpose is to construct a large-scale, mixed-use project consisting of residential development, a commercial complex, and which may include open space and recreational amenities, located in San Joaquin County or the south delta area. The Corps is soliciting public comments on the proposed contents of the DEIS, which will address impacts such as major changes in the operation and maintenance of a Federal flood control project, navigation, hydrology, water quality, wetlands, endangered species, agricultural resources, transportation, cultural resources, and air quality.

Two public scoping meetings will be held on June 29, 2005. One meeting will be held during business hours at 1:30 p.m. and the second will be held in the evening at 7:00 p.m. to accommodate the schedules of participants. Both meetings will be held at the following location:

Lathrop Community Room
15453 7th Street
Lathrop, CA 95330

This notice may also be viewed at the Corps web site at:
