of Engineers

HUNTING REGULATIONS

Hunting is limited to shotgun and bow only. All Federal and State Hunting laws and seasons apply. Loaded guns and strung bows may only be possessed within the hunting area and during the appropriate seasons.

The New Hogan Lake Boundary is marked with 4 foot high white steel markers labeled "U. S. PROP. LINE".

Some areas within the hunting area are fenced and leased for grazing. Please respect the fences, gates, and property of the lease holder.

There are foot and equestrian trails within the hunting areas. Do not hunt near people engaged in other forms of recreation.

Note: Hunting is prohibited in Deer Flat Campground.
