

Permanent USFS Visitor Center (Lake Isabella) Site Selection Survey

This printable survey is designed to gather input from the Isabella Lake community in regard to site selection of a permanent USFS visitor center in Lake Isabella. As a community member, your feedback is very valuable to our decision-making process. Please take a few minutes to share your thoughts and return via postal mail. The address is included at the end of the survey.

**This form must postmarked no later than 11:59 p.m. on July 9, 2020
Submissions received with postmarks after that time will not be considered.**

Thank you for your candid feedback!

Permanent USFS Visitor Center (Lake Isabella) Site Selection Survey

Q1 Do you feel that a new, permanent visitor center is needed in Lake Isabella?

Yes

No

Unsure

Q2 What are the top three (3) services of the former or interim visitor center (Lake Isabella) that you found/find most useful?

Q3 Based on the map below, what is your preferred area for the permanent visitor center in Lake Isabella?

Area 1 (Red) - the area that sits immediately downstream of the Auxiliary Dam, bordered by SR178 and Ponderosa Dr.

Area 2 (Green) - the northernmost area that sits between SR178 and the Auxiliary Dam shoreline

Area 3 (Blue) - the area southeast of SR178 and north of the town-proper (near other local and county services)

Area 4 (Yellow) - the southernmost area that runs parallel to SR178 and is intersected by Lake Isabella Blvd.

Other (Please specify)
