ARTICLE II - OBLIGATIONS OF THE GOVERNMENT AND THE NON-FEDERAL SPONSOR

A. The Government, subject to receiving funds appropriated by the Congress and using those funds and funds provided by the Non-Federal Sponsor, shall expeditiously design the Project, applying those procedures usually applied to the engineering and design of Federal projects, pursuant to Federal laws, regulations, and policies.

1. To the maximum extent possible, the Government shall design the Project in accordance with the Project Management Plan for the Project and, if applicable, a Project Study Plan for any reevaluation during design, developed and updated as required by the Government after consultation with the Non-Federal Sponsor.

2. The Government shall afford the Non-Federal Sponsor the opportunity to review and comment on the solicitations for all contracts, including relevant scopes of work, prior to the Government's issuance of such solicitations. To the extent possible, the Government shall afford the Non-Federal Sponsor the opportunity to review and comment on all contract modifications, including change orders, prior to the issuance to the contractor of a Notice to Proceed. In any instance where providing the Non-Federal Sponsor with notification of a contract modification or change order is not possible prior to issuance of the Notice to Proceed, the Government shall provide such notification in writing at the earliest date possible. To the extent possible, the Government also shall afford the Non-Federal Sponsor the opportunity to review and comment on all contract claims prior to resolution thereof. The Government shall consider in good faith the comments of the Non-Federal Sponsor, but the contents of solicitations, award of contracts, execution of contract modifications, issuance of change orders, resolution of contract claims, and performance of all design (whether the work is performed under contract or by Government personnel), shall be exclusively within the control of the Government.

3. Notwithstanding paragraph A.1. of this Article, if the award of any contract for design or continuation of design using the Government's own forces would result in cumulative financial obligations for design exceeding \$1,342,579 the Government and the Non-Federal Sponsor agree to defer award of that contract, all subsequent contracts for design, and design using the Government's own forces until such time as the Government and the Non-Federal Sponsor agree in writing to proceed with further contract awards for design or the continuation of design using the Government's own forces, but in no event shall the award of contracts or design using the Government's own forces be deferred for more than three years. Notwithstanding this general provision for deferral of contract awards or design, the Government, after consultation with the Non-Federal Sponsor, may award a contract or contracts or continue with design using the Government's own forces after the Assistant Secretary of the Army (Civil Works) makes a written determination that the award of such contract or contracts or continuation of design using the Government's own forces must proceed in order to comply with law or to protect human life or property from imminent and substantial harm.

B. The Non-Federal Sponsor shall provide, during the period of design a contribution equal to 25 percent of total design costs. If the Government projects that the value of the Non-Federal Sponsor's contributions under Articles III and VII will be less than 25 percent of total design costs, the Non-Federal Sponsor shall provide a contribution, in accordance with Article IV.B. of this Agreement, in the amount necessary to meet its 25 percent share of total design costs.

C. The Government shall perform a final accounting in accordance with Article IV.D. of this Agreement to determine the contributions provided by the Non-Federal Sponsor in accordance with paragraphs B. and E. of this Article and Articles III and VII of this Agreement and to determine whether the Non-Federal Sponsor has met its obligations under paragraphs B. and E. of this Article.

E. The Non-Federal Sponsor may request the Government to design betterments. Such requests shall be in writing and shall describe the betterments requested to be designed. If the Government in its sole discretion elects to design the requested betterments or any portion thereof, it shall so notify the Non-Federal Sponsor in a writing that sets forth any applicable terms and conditions, which must be consistent with this Agreement. In the event of conflict between such a writing and this Agreement, this Agreement shall control. The Non-Federal Sponsor shall be solely responsible for all costs due to the requested design of betterments and shall pay all such costs in accordance with Article IV.C. of this Agreement.

F. In accordance with Article IV.E. of this Agreement, the Government shall afford credit, toward the share of total project costs for the Project that is required of the non-Federal

entity or entities executing the Project Cooperation Agreement or Agreements for the Project or separable element thereof, for the Non-Federal Sponsor's 25 percent share of total design costs required under paragraph B. of this Article.

G. This Agreement shall not be construed as obligating either party to seek funds for, or to participate in, construction or implementation of the Project or a separable element thereof or as relieving the Non-Federal Sponsor of any future obligation under the terms of any Project Cooperation Agreement.

ARTICLE III - DESIGN COORDINATION TEAM

A. To provide for consistent and effective communication, the Non-Federal Sponsor and the Government, not later than 30 days after the effective date of this Agreement, shall appoint named senior representatives to a Design Coordination Team. Thereafter, the Design Coordination Team shall meet regularly until the end of the period of design. The Government's Project Manager and a counterpart named by the Non-Federal Sponsor shall co-chair the Design Coordination Team.

B. The Government's Project Manager and the Non-Federal Sponsor's counterpart shall keep the Design Coordination Team informed of the progress of the design and of significant pending issues and actions, and shall seek the views of the Design Coordination Team on matters that the Design Coordination Team generally oversees.

Until the end of the period of design, the Design Coordination Team shall generally oversee issues related to design, including scheduling of reports and work products; development of plans and specifications; anticipated real property and relocation requirements for construction or implementation of the Project; contract awards and modifications; contract costs; the Government's cost projections; anticipated requirements and needed capabilities for performance of operation, maintenance, repair, replacement and rehabilitation of the Project; and other related matters.

D. The Design Coordination Team may make recommendations that it deems warranted to the District Engineer on matters that the Design Coordination Team generally oversees, including suggestions to avoid potential sources of dispute. The Government in good faith shall consider the recommendations of the Design Coordination Team. The Government, having the legal authority and responsibility for design, has the discretion to accept, reject, or modify the Design Coordination Team's recommendations.

E. The costs of participation in the Design Coordination Team during the period of design shall be included in total design costs and cost shared in accordance with the provisions of this Agreement.

ARTICLE IV - METHOD OF PAYMENT

A. Until the Government furnishes the Non-Federal Sponsor with the results of the final accounting, the Government shall maintain current records of contributions provided by the parties and current projections of total design costs and costs due to additional work under Article II.E. of this Agreement. At least monthly, the Government shall provide the Non-Federal Sponsor with a report setting forth all contributions provided to date and the current projections of total design costs, of total costs due to additional work under Article II.E. of this Agreement, of each party's share of total design costs, of the non-Federal proportionate share, of the Non-Federal Sponsor's total contributions required in accordance with Articles II.B. and II.E. of this Agreement, and of the funds the Government projects to be required from the Non-Federal Sponsor in accordance with Articles II.B. and II.E. of this Agreement for the upcoming fiscal year. On the effective date of this Agreement, total design costs are projected to be \$1,342,579 and the Non-Federal Sponsor's contribution required under Article II.B. of this Agreement is projected to be \$335,645. B. The Non-Federal Sponsor shall provide the contribution required under Article II.B. of this Agreement in accordance with the provisions of this paragraph.

1. Not later than 30 calendar days after execution of this Agreement, the Government shall notify the Non-Federal Sponsor in writing of the funds the Government determines to be required from the Non-Federal Sponsor to meet the non-Federal proportionate share of projected financial obligations for design through the initial quarter of the year of design, including the non-Federal proportionate share of financial obligations for design incurred prior to such payment. Not later than 30 calendar days after such notice the Non-Federal Sponsor shall provide the Government with the full amount of the required funds by delivering a check payable to "FAO, USAED, Sacramento District" to the District Engineer, or verify to the satisfaction of the Government that the Non-Federal Sponsor has deposited the required funds in an escrow or other account acceptable to the Government, with interest accruing to the Non-Federal Sponsor, or present the Government with an irrevocable letter of credit acceptable to the Government for the required funds, or provide an Electronic Funds Transfer in accordance with procedures established by the Government.

2. For the second and subsequent quarters of design, the Government shall notify the Non-Federal Sponsor in writing, no later than 30 calendar days prior to the beginning of that quarter, of the funds the Government determines to be required from the Non-Federal Sponsor to meet the non-Federal proportionate share of projected financial obligations for design for that quarter. No later than 15 calendar days prior to the beginning of that quarter, the Non-Federal Sponsor shall make the full amount of the required funds for that quarter available to the

Government through the funding mechanisms specified in paragraph B.1. of this Article.

3. The Government shall draw from the funds provided by the Non-Federal Sponsor such sums as the Government deems necessary to cover: (a) the non-Federal proportionate share of financial obligations for design incurred prior to the payment made under paragraph B.1 of this Article; and (b) the non-Federal proportionate share of financial obligations for design as they are incurred during the remainder of the period of design.

4. If at any time during the period of design the Government determines that additional funds will be needed from the Non-Federal Sponsor to cover the non-Federal proportionate share of projected financial obligations for design for the current quarter, the Government shall notify the Non-Federal Sponsor in writing of the additional funds required together with an explanation of why additional funds are required, and the Non-Federal Sponsor, no later than 30 calendar days from receipt of such notice, shall make the additional required funds available through the payment mechanisms specified in paragraph B.1. of this Article.

C. In advance of the Government incurring any financial obligation associated with additional work under Article II.E. of this Agreement, the Non-Federal Sponsor shall provide the Government with the full amount of the funds required to pay for such additional work by delivering a check payable to "FAO, USAED, Sacramento District" to the District Engineer, or verify to the satisfaction of the Government that the Non-Federal Sponsor has deposited the full amount of the funds required to pay for such additional work in an escrow or other account acceptable to the Government, with interest accruing to the Non-Federal Sponsor, or present the Government with an irrevocable letter of credit acceptable to the Government for the required funds, or provide an Electronic Funds Transfer in accordance with procedures established by the Government. The Government shall draw from the funds provided by the Non-Federal Sponsor such sums as the Government deems necessary to cover the Government's financial obligations for such additional work as they are incurred. In the event the Government determines that the Non-Federal Sponsor must provide additional funds to pay for such additional work, the Government shall notify the Non-Federal Sponsor in writing of the additional funds required. Within 30 calendar days thereafter, the Non-Federal Sponsor shall provide the Government with the full amount of the additional required funds through the funding mechanisms specified above.

D. Upon completion of design or termination of this Agreement, and upon resolution of all relevant proceedings, claims and appeals, the Government shall conduct a final accounting and furnish the Non-Federal Sponsor with the results of the final accounting. The final accounting shall determine total design costs, each party's contribution provided thereto, and each parties required share thereof. The final accounting also shall determine total costs due to additional work under Article II.E. of this Agreement and the Non-Federal Sponsor's contribution provided pursuant to Article II.E. of this Agreement.

1. In the event the final accounting shows that the total contribution provided by the Non-Federal Sponsor under Articles II.B., II.E., III and VII of this Agreement is less than its

required 25 percent share of total design costs plus costs due to additional work under Article II.E. of this Agreement, the Non-Federal Sponsor shall, no later than 90 calendar days after receipt of written notice, make a payment to the Government of whatever sum is required to meet the Non-Federal Sponsor's required 25 percent share of total design costs plus costs due to additional work under Article II.E. of this Agreement.

2. In the event the final accounting shows that the total contribution provided by the Non-Federal Sponsor under Articles II.B., II.E., III and VII of this Agreement exceeds its required 25 percent share of total design costs plus costs due to additional work under Article II.E. of this Agreement, the Government shall afford credit to the Non-Federal Sponsor during the construction or implementation of the Project (other than the 5 percent cash share for structural flood control), or the Government shall, subject to the availability of funds, refund the excess to the Non-Federal Sponsor no later than 90 calendar days after the final accounting is complete. In the event existing funds are not available to refund the excess to the Non-Federal Sponsor, the Government shall seek such appropriations as are necessary to make the refund.

E. The Government shall afford credit for the Non-Federal Sponsor's 25 percent share of total design costs required under Article II.B. of this Agreement, in accordance with this paragraph. The Government shall afford such credit only after any payment to the Government or refund to the Non-Federal Sponsor required by paragraph D. of this Article has been made. To afford such credit, the Government shall apply the amount credited toward the share that non-Federal entities are required to provide toward total project costs for the Project. Nothing in this Agreement shall be construed to obligate the Government to repay the Non-Federal Sponsor, in whole or in part, for its 25 percent share of total design costs.

1. If Federal funds are appropriated for construction or implementation of the Project, and if the Government and a non-Federal entity enter into a Project Cooperation Agreement for construction or implementation of the entire Project, then the Government shall afford credit for the entire 25 percent share.

2. If Federal funds are appropriated for construction or implementation of the Project or a separable element thereof, and if the Government and a non-Federal entity enter into a Project Cooperation Agreement for construction or implementation of such separable element, then the Government shall afford credit for such portion of the 25 percent share as is allocable to such separable element.

3. If no Federal funds are appropriated for construction or implementation of the Project or a separable element thereof, or if the Government and a non-Federal entity do not enter into a Project Cooperation Agreement for construction or implementation of the Project or a separable element, then the Government shall not afford any credit for such 25 percent share.

ARTICLE V - DISPUTE RESOLUTION

As a condition precedent to a party bringing any suit for breach of this Agreement, that party must first notify the other party in writing of the nature of the purported breach and seek in good faith to resolve the dispute through negotiation. If the parties cannot resolve the dispute through negotiation, they may agree to a mutually acceptable method of non-binding alternative dispute resolution with a qualified third party acceptable to both parties. The parties shall each pay 50 percent of any costs for the services provided by such a third party as such costs are incurred. The existence of a dispute shall not excuse the parties from performance pursuant to this Agreement.

ARTICLE VI - HOLD AND SAVE

The Non-Federal Sponsor shall hold and save the Government free from all damages arising from design for the Project and design for any Project-related betterments, except for damages due to the fault or negligence of the Government or its contractors.

ARTICLE VII - MAINTENANCE OF RECORDS AND AUDIT

A. Not later than 60 calendar days after the effective date of this Agreement, the Government and the Non-Federal Sponsor shall develop procedures for keeping books, records, documents, or other evidence pertaining to costs and expenses incurred pursuant to this Agreement. These procedures shall incorporate, and apply as appropriate, the standards for financial management systems set forth in the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments at 32 C.F.R. Section 33.20. The Government and the Non-Federal Sponsor shall maintain such books, records, documents, or other evidence in accordance with these procedures and for a minimum of three years after completion of the accounting for which such books, records, documents, or other evidence were required. To the extent permitted under applicable Federal laws and regulations, the Government and the Non-Federal Sponsor shall each allow the other to inspect such books, documents, records, or other evidence.

B. Pursuant to 32 C.F.R. Section 33.26, the Non-Federal Sponsor is responsible for complying with the Single Audit Act of 1984, 31 U.S.C. Sections 7501-7507, as implemented by Office of Management and Budget (OMB) Circular No. A-133 and Department of Defense Directive 7600.10. Upon request of the Non-Federal Sponsor and to the extent permitted under applicable Federal laws and regulations, the Government shall provide to the Non-Federal Sponsor and independent auditors any information necessary to enable an audit of the Non-Federal Sponsor's activities under this Agreement. The costs of any non-Federal audits performed in accordance with this paragraph before the Government furnishes the Non-Federal Sponsor with the results of the final accounting shall be allocated in accordance with the provisions of OMB Circulars A-87 and A-133, and such costs as are allocated to the Project shall be included in total design costs and cost shared in accordance with the provisions of this Agreement.

C. In accordance with 31 U.S.C. Section 7503, the Government may conduct audits in addition to any audit that the Non-Federal Sponsor is required to conduct under the Single Audit Act. Any such Government audits shall be conducted in accordance with Government Auditing Standards and the cost principles in OMB Circular No. A-87 and other applicable cost principles and regulations. The costs of Government audits performed in accordance with this paragraph before the Government furnishes the Non-Federal Sponsor with the results of the final accounting shall be included in total design costs and cost shared in accordance with the provisions of this Agreement.

ARTICLE VIII - FEDERAL AND STATE LAWS

In the exercise of their respective rights and obligations under this Agreement, the Non-Federal Sponsor and the Government agree to comply with all applicable Federal and State laws and regulations, including, but not limited to, Section 601 of the Civil Rights Act of 1964, Public Law 88-352 (42 U.S.C. 2000d), and Department of Defense Directive 5500.11 issued pursuant thereto, as well as Army Regulations 600-7, entitled "Nondiscrimination on the Basis of Handicap in Programs and Activities Assisted or Conducted by the Department of the Army" and Section 402 of the Water Resources Development Act of 1986, as amended (33U.S.C. 701b-12), requiring non-Federal preparation and implementation of the flood plain management plans.

ARTICLE IX - RELATIONSHIP OF PARTIES

A. In the exercise of their respective rights and obligations under this Agreement, the Government and the Non-Federal Sponsor each act in an independent capacity, and neither is to be considered the officer, agent, or employee of the other.

B. In the exercise of its rights and obligations under this Agreement, neither party shall provide, without the consent of the other party, any contractor with a release that waives or purports to waive any rights such other party may have to seek relief or redress against such contractor either pursuant to any cause of action that such other party may have or for violation of any law.

ARTICLE X - OFFICIALS NOT TO BENEFIT

No member of or delegate to the Congress, nor any resident commissioner, shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom.

ARTICLE XI - TERMINATION OR SUSPENSION

A. If at any time the Non-Federal Sponsor fails to fulfill its obligations under Articles II.B., II.E. or IV of this Agreement, the Assistant Secretary of the Army (Civil Works) shall terminate this Agreement or suspend future performance under this Agreement unless he determines that continuation of work on design of the Project is in the interest of the United

States or is necessary in order to satisfy agreements with any other non-Federal interests in connection with the Project.

B. If the Government fails to receive annual appropriations in amounts sufficient to meet its share of scheduled expenditures for design for the then-current or upcoming fiscal year, the Government shall so notify the Non-Federal Sponsor in writing, and 60 calendar days thereafter either party may elect without penalty to terminate this Agreement or to suspend future performance under this Agreement. In the event that either party elects to suspend future performance under this Agreement pursuant to this paragraph, such suspension shall remain in effect until such time as the Government receives sufficient appropriations or until either the Government or the Non-Federal Sponsor elects to terminate this Agreement, whichever occurs first.

C. In the event that either party elects to terminate this Agreement pursuant to this Article, both parties shall conclude their activities relating to design of the Project and proceed to a final accounting in accordance with Article IV.D. of this Agreement.

D. Any termination of this Agreement or suspension of future performance under this Agreement in accordance with this Article shall not relieve the parties of liability for any obligation previously incurred. Any delinquent payment from the Non-Federal Sponsor shall be charged interest at a rate, to be determined by the Secretary of the Treasury, equal to 150 per centum of the average bond equivalent rate of the 13-week Treasury bills auctioned immediately prior to the date on which such payment became delinquent, or auctioned immediately prior to the beginning of each additional 3-month period if the period of delinquency exceeds 3 months.
