

Information Session

Report to Congress on Future Water Resources Development

The U.S. Army Corps of Engineers will host two virtual information sessions on the Report to Congress on Future Water Resources Development.

Thursday, July 23, 2020, 2:00 – 3:00 EDT

Thursday, August 20, 2020, 2:00 – 3:00 EDT

The information sessions will discuss the open Federal Register notice that invites non-Federal agencies to submit proposals for projects to be considered for the Report to Congress on Future Water Resources. Proposals can be for feasibility studies, water resources development projects, and programmatic modifications to environmental infrastructure assistance programs that need Congressional authorization. The session will also discuss the criteria that proposals must meet to be included in the 2021 Annual Report to Congress. The deadline for proposal submission to be considered for the 2021 Report is August 31, 2020.

Please join us both by web meeting and voice teleconference:
