

# NATOMAS BASIN LEVEE UPDATE

June 14, 2019

## Garden Hwy Road Closure Friday & Saturday Nights

There will be a full closure of Garden Highway tonight (June 14) from 9 p.m. to 5 a.m. at the Interstate 5 North off-ramp intersection.

Westbound Garden Highway traffic will be able to access I-5 North on-ramp, but not the I-5 South on-ramp. Garden Highway drivers trying to travel south on I-5 or west of the highway should use West El Camino Ave.

Eastbound Garden Highway traffic will not be able to access the I-5 North on-ramp and will need to follow detours signage, which will direct traffic north on Gateway Oaks, east on West El Camino Ave, and south on Natomas Park Dr. Interstate 5 South drivers travelling east on Garden Highway will follow this same detour.

Interstate 5 North drivers travelling west on Garden Highway will not be impacted; however, drivers hoping to travel east on Garden Highway should use the West El Camino Ave off-ramp to Natomas Park Dr.

Please see the attached graphic for more information.

We expect this closure to occur again on Saturday, June 15 from 9 p.m. to 5 a.m. as well. The roadway will be open to traffic during the daytime hours.
