We would like all digital shapefiles or GPS data that the Sacramento District may have related to the jurisdictional determination for a project site located in Laughlin, NV (SPK file number 2016-00281). We are looking for the underlying GPS linework that was used in creating the jurisdictional map for this site.

I am willing to pay all applicable processing fees.

I look forward to receiving the requested documents within twenty (20) working days as required by statute.

Respectfully,
