 **RRS** REGULATORY REQUEST SYSTEM Help [Sign In](#)

The Regulatory Request System (RRS) is currently operating as a beta version [Learn More](#)

## Welcome to the Regulatory Request System

Apply Online • Learn about the Regulatory Program • Track Request Status

[Get Started](#)

**Regulatory Program Information**

Learn the basics about the Regulatory Program, including recent announcements.

**Jurisdiction**

Does the property in question contain wetlands/waters? If so does the Corps have jurisdiction?

**Permitting**

Do you need a permit? Need to schedule a pre-application meeting?

**Mitigation**

Discover how we help avoid and minimize impacts to aquatic resources.

**Report Violations**

Submit a report of unauthorized activity or permit non-compliance.

**RRS Support**

Get general system support, district contact information, submit feedback, and login.gov help.

**Public Notices**

**UNDER CONSTRUCTION**

Visit the HQ Regulatory website to find your district and get local public notices.

**Apply for a Permit**

If you're ready to apply for a permit, click here to login or start a new request
