<sup>1</sup> This form is for use only in recording approved JDs involving dry land. It extracts the relevant elements of the longer approved JD form in use since 2007 for aquatic areas and adds no new fields.

**B. REQUIRED ADDITIONAL COMMENTS TO SUPPORT JD. EXPLAIN RATIONALE FOR DETERMINATION THAT THE REVIEW AREA ONLY INCLUDES DRY LAND:** The site zig-zags up the side of a mountain. It includes an existing road that will need to be improved and an abandoned mine site. I walked the road and mine site. Due to topography and landscape positioning, the site is comprised solely of dry land.
