

I AM READY

Our friend Lucy and her dog, Bingo, will help you be flood prepared by doing fun activities! Flooding is a natural occurrence, which can be a scary thought. The more prepared you are, the safer you will be!

It is raining a lot, and there was a flood warning alert on the radio! Lucy and her family need assemble an emergency warning kit and drive to a safe place on higher ground.

Circle what Lucy should include in her emergency kit

Help Lucy and her family follow a safe route to get through the flood to a safe place!

Your safe place should be on high ground away from low areas that could flood.

Thanks for playing with us!
 If you see flood water, do
 not try to cross it. Get to
 high ground. Have a plan for
 where to go, and build an
 emergency kit. Are you
 ready?
